Welcome to Café Brandpunt

Lunch

You can enjoy a delicious lunch at Brandpunt. We serve lunch all year round. In the summer, you can enjoy the freshest salads and tastiest toasts (of course with the authentic BP-toastiesauce) on our sunny terrace. During the winter months, we are ready indoors to serve warming drinks with seasonal lunch dishes.

Diner

Brandpunt is one of the oldest, traditional eateries in Tilburg, and we proudly maintain this tradition by serving classic dishes. You'll find chicken satay, burgers, and steaks with a modern twist. At Brandpunt, you can enjoy the sun at our terrace in the summer and dine by the fireplace in the winter.

Drinks

For those who look for a place to share drinks with friends, we offer various packages and options. Some are mentioned on our website. However, since no gathering is the same, and we aim to offer tailored coziness and atmosphere, you can always contact us to discuss how we can fulfill your wishes. You can do this by emailing us at: info@cafe-brandpunt.nl

Night out

Brandpunt is a café for students and young people from Tilburg at heart. The weekend kicks off with us on Thursdays, and even on Sundays, we continue into the late hours when various hockey and soccer teams drop by for a nightcap before everyone hits the books again the next day. Most days, a live DJ adds to the party atmosphere. Whether you're a student, a school-goer, or a working professional, Café Brandpunt feels like coming home for everyone.

Legend

Almost all of our dishes can be adjusted to accommodate dietary needs.
